## A Message from our President

Dear Friends,

The members of the Republican Federated Women of The Villages (RFWTV) encourage your participation and involvement with our organization. You will find us a politically active and involved group of women focused on the political process and our community.

We are members of both our State and National sister organizations which provide timely and informative information about state and national issues.

Our monthly meetings and special events are always interesting and educational.

Our meetings take place from 10:00 AM to Noon at the Bacall Recreation Center, on the second Thursday of each month. We hope you will consider joining the efforts of the RFWTV and doing your part to support The United States of America.
